Hear what our visitors in 2009 say:

“ My time at BroadcastAsia has always been well-spent and this year is no different. It is great that I am able to meet international exhibitors at a place that is not too far from home.”

- Armand C. Ursal, Vice President-Engineering, Quest Broadcasting Inc., Philippines

“ I have been a regular visitor to BroadcastAsia & CommunicAsia for many years. Each year, I look forward to the show as I am able to catch up with old industry friends as well as make new contacts besides evaluating the new trends in emerging technologies. The show organiser has done a great job and I will definitely be back again next year!”

- R.S. Chauhan, Head of Broadcast, Operations & Engineering, Sahara India T.V. Network, India
